#### MARKET REPORT

**Government pension fund to reduce R70bn allocation to the PIC**  
Africa's biggest pension fund expects to cut the amount of money it allocates to a division the SA's Public Investment Corporation (PIC) that has to date helped it fulfill some of its environment, social and governance aspirations.

**HEADLINE CPI:** The CPI calculates the cost to purchase a fixed basket of goods as a way of determining how much inflation is occurring in the broad economy. The CPI uses a base year and indexes current year prices based on the base year's values.

**CORE CPI:** The headline figure is not adjusted for seasonality or for the often volatile elements of food and energy prices, which are removed in the Core CPI.
