MARKET REPORT

Private equity giants raid Wall Street as fundraising talent wars heat

Private equity recruitment accelerated in the first half of 2025, with fundraising and investor relations roles leading the way. This hiring spree comes even as the private equity sector has remained stuck in a holding pattern in recent years. "Firms are happy over-paying for fundraising talent," said Christopher Connors, principal at Connors Consulting Partners.

HEADLINE CPI: The CPI calculates the cost to purchase a fixed basket of goods as a way of determining how much inflation is occurring in the broad economy. The CPI uses a base year and indexes current year prices based on the base year's values.

CORE CPI: The headline figure is not adjusted for seasonality or for the often volatile elements of food and energy prices, which are removed in the Core CPI.
